TOLT COMMONS IN CARNATION, WA

WHAT IS SNOVALLEY PRIDE?

Snovalley Pride is a regional non-profit based in Carnation, WA. Our goal is simple...we want to create visibility, safe spaces and events for our LGBTQ+ community and allies in the rural areas we work, recreate, and call home. We want to show that Seattle's "back yard" is not only a safe place, but a welcoming one where diversity, inclusion, and unity are core values of our community.

Our Pride Picnic is one of the major events in our portfolio.
